TEXT:

HERE COMES THE DOCTOR!

Katia and Maia are nurses. They are standing in the hallway outside the emergency room. They have two patients with the same problem and a doctor is checking up on them. Katia is a bit older than Maia. However, both are good old friends from nursery school. They are laughing and joking with each other while they are waiting. Suddenly, a good-looking man walks by. Katia turns around and smiles at him. He looks away and continues walking down the hall. Katia tells Maia that men at that hospital are cute. Maia laughs. She says she doesn't take notice of that because she has a boyfriend. Then it is time for them to go into the emergency room. Inside the room the two girls start talking to their patients. Suddenly, the doctor enters with a colleague. The two of them look at him. Katia is shocked when she sees the new doctor. He is the handsome man who had walked by them in the hallway!
